

Rose City Futsal

Select Team Development Program

Birth Year 2005 – Both Boys and Girls

Rose City Futsal seeks to develop the best Futsal/Soccer players in the country. The Select Team Development Program is designed to provide players an opportunity to play and train in Futsal with players of like abilities while providing the highest level of coaching allowing players an opportunity to grow to the highest potential in the game of Futsal.

Select Teams are small groups of players that train together and look to compete regionally, nationally and internationally (depending on the age group) in a few tournament and events. Select Teams are available for Boys & Girls born between 2000 – 2008. During matches and tournaments, teams will be professionally coached and will represent Rose City Futsal.

At RCF we believe that players must be trained for the challenges that they will face on and off the court. Our goal is to create not only top level Futsal/Soccer players but also great citizens.

Select Team Tryouts: Due to the highly competitive nature of Rose City Futsal Select Teams, most participants will gain access to these teams through a series of tryouts scheduled below. It is also possible that players may gain access to a Select Team through participation in one of our Summer Camps and/or Advanced Classes during the year. In most age groups only 8 players will be selected per location (RCF East and RCF West), therefore we would encourage participation in tryouts only for those players that feel they are ready for the challenges of a competitive program.

Tryout Dates & Times: Participants must attend both tryouts dates but will have the chance to choose the preferred team/location to train for the year. If a player is open to train with either team/location then the player will have a higher chance of being selected to a team.

Refund Policy

All withdrawals from the RCF Select Development Training program must be made in writing to Rose City Futsal. In certain instances, including serious injury, adjustments to the schedule can be made at the discretion of the Director of Coaching of RCF. Injured players must provide a doctor's note.

When notice of cancellation is received prior to the start of the training calendar year, a full refund (less a \$295 acceptance fee) will be issued. If a notice of cancellation is received at any time after the program has already started, no refunds will be issued for payments already processed.

Once players commit to the team we kindly expect players to follow through with their commitment as changes along the process can affect the overall development of all individuals within their training group.

Frequently Asked Questions:

What is the difference between RCF Select and Advanced Classes?

RCF Select Players train as team year long and have the option to compete in additional leagues tournaments. The Select Program is a year-long commitment. Advanced classes are taught in 7-week sessions and while there are qualifications to be included do not require tryouts. Advanced classes by their very nature, allow players to come and go during the year, the Select program expects a full-year commitment.

Can I do both Advanced classes and the Select Program?

A player seeking additional training may take an Advanced class. This is in addition to the Select Program and would involve additional expense. Select Team players receive a 10% discount towards registrations to other Rose City Futsal programs.

What if my child's practices interfere with his/her outdoor club?

We have set our schedule in a way to minimize conflicts with outdoor practices, but conflicts might still happen in some instances. At RCF we understand the well-being of players and will be flexible with conflicts with outdoor practices and/or games.

Will my child's team be assigned a coach?

Teams will have an assigned coach but will also work with different coaches throughout the year. With our Director of Coaching overseeing practices and hands-on involved in the weekly trainings, we look to assure consistency and continuity throughout the Select Program trainings at all age levels.
