

ADULT LEAGUE AUTO-RENEWAL

Rose City Futsal is introducing “Auto Renewal” for Teams who are interested in renewing their commitment to play at Rose City Futsal for upcoming season(s). Historically Rose City Futsal has allowed registration on a “first come/first served” basis. Tragically many of our longstanding teams have missed out playing because a league has sold out before they registered. Our goal is to establish a program that allows teams to “auto-renew” thereby guaranteeing their spot in next season’s league.

“Auto Renewal” is a voluntary commitment that can be cancelled at any time by either the player or Rose City Futsal.

To qualify, a team must:

- Currently play in a Rose City Futsal Adult League and be in good standing.
- Have a credit card on file for league fees to be charged the day of VIP registration.

Auto Renewal is purely voluntary and a team can cancel at any time. Should a team wish to cancel their “Auto-Renewal Plan” they must wait two seasons before resigning up for auto- renewal.

The order of Registration for a league is as follows:

1. Teams signed up for Auto Renewal
2. Teams signed up during VIP Registration
3. Teams signed up during Registration to General Public

A team that signs up for Auto Renewal for a particular league may wish change leagues due to their performance. For example, should a team go undefeated in a D-4 league, they may wish (or be asked to) move to a D-3 league. The auto-renewal would apply going forward to the new D-3 league.
