

Select Team Program 2013 & 2014 Girls

The Rose City Futsal Select Team Program is designed to provide players an opportunity to train and compete with players of like abilities. Its goal is to help kids grow in all 5 aspects of the game: mentally, physically, technically, tactically and socially. It is a great opportunity for elite young players to develop in the way that many South American and European kids do - with a lot of Futsal.

Rose City Futsal will provide a consistent schedule with the appropriate number of training sessions and games for the age group so players can achieve their best potential. With an organized schedule, we hope that families will have an opportunity to also enjoy life outside of futsal/soccer which is an important aspect in a player's social development. Rose City Futsal will follow the European and South American calendar and will have players training on a 10-month calendar (September-June). During the Summer months, we expect and encourage players to have some down time from organized practices, enjoy family and the NW sunshine. Players are still encouraged to kick the ball around with friends during the off-season in unstructured environments to allow for creativity to grow and to develop other aspects of the game and life. Open Plays and Summer Camps will still be offered for those wanting more time on the ball and some Summer fun.

The goal of the Select Team Program is to create one team per birth year. Each team will consist of 7-9 players. Different birth years/teams will be combined for training purposes only. Depending on numbers and the quality of the players, Rose City Futsal may decide not to create teams for certain age groups. The top players in this age group will have the opportunity to form part of a team that competes in some special events/leagues (I.E: regionals and/or nationals).

The focus of this program is to develop well rounded elite players that play with joy, confidence and character. At Rose City Futsal, we aim to develop and prepare young players for the challenges that they will face on and off the court. Our goal is to create not only top level players but also great citizens.

Program Tryouts: Select Team tryouts will run on a low stress system for the players. Players will mostly play while the coaches observe and make notes about which Rose City Futsal program will best suit the player's abilities and skills. All kids will be observed and recommended to one of Rose City Futsal programs (Select Team, All-Levels Classes or Advanced Classes). We encourage all players to come play and have some fun!

Frequently Asked Questions:

What is the difference between Select Team Program and Advanced Classes?

The Select Team Program is a selected group of players that train 1x, 2x, or 3x a week and play as a regular group throughout the year. Advanced classes are taught in 7-week sessions and while there are qualifications to be included do not require evaluations. Advanced classes by their very nature, allow players to come and go during the year, the Select Team Program expects a full-year commitment.

Can I do both Advanced classes and the Select Team Program?

The Select Team program already includes plenty of training plus games and/or open plays weekly. If a player would like to add additional classes or training we would request that the player notify the coaching staff prior to registering. The coaching staff will determine if the extra training is appropriate for the player and necessary. Every player is unique in their needs and we will treat each situation individually and accordingly.

Will my child's group be assigned a coach?

Groups will have an assigned coach but may also work with different coaches throughout the year. With our Program Directors overseeing programs and hands-on involvement, we look to assure consistency and continuity throughout Rose City Futsal Programs at all age levels.
