

Select Team Program

2012 & 2013 Boys

The Rose City Futsal Select Team Program is designed to provide players an opportunity to train and compete with players of similar abilities. Its goal is to help kids grow in all 5 aspects of the game: mentally, physically, technically, tactically and socially. It is a great opportunity for elite young players to develop in the way that many South American and European kids do - with a lot of Futsal!

Futsal provides unparalleled benefits to player development with increased ball touches, need for speed, control, and quick decision making. Our competitive team training, seasonal leagues and local and travel tournaments provide the best augmentation to any outdoor season.

Rose City Futsal will provide a consistent schedule with the appropriate number of training sessions and games for the age group so players can achieve their best potential. With an organized schedule, we hope that families will have an opportunity to also enjoy life outside of futsal/soccer which is an important aspect in a player's social development. Rose City Futsal will follow the European and South American calendar and will have players training on a 10-month calendar (September-June). During the Summer months, we expect and encourage players to have some down time from organized practices, enjoy family and the PNW sunshine. Players are still encouraged to kick the ball around with friends during the off-season in unstructured environments to allow for creativity to grow and to develop other aspects of the game and life. Open Plays and Summer Camps will still be offered for those wanting more time on the ball and some summer fun.

The goal of the Select Team Program is to create one team per birth year. Each team will consist of 7-9 players. Different birth years/teams will be combined for training purposes only. Each team will compete individually in youth leagues and local and out-of-state tournaments.

Depending on numbers and the quality of the players, Rose City Futsal may decide not to create teams for certain age groups.

Our goal is to develop well rounded elite players that play with joy, confidence and character. At Rose City Futsal, we aim to develop and prepare young players for the challenges that they will face on and off the court. We want to create not only top level players but also great citizens.

Program Tryouts: Select Team tryouts will run on a low stress system. Players will mostly play while the coaches observe and make notes about which Rose City Futsal program will best suit the player's abilities and skills. All kids will be observed and recommended to one of Rose City Futsal programs:

- Select Team
- YA Advanced classes and camps
- All Levels classes and camps

We encourage all players to come play and have some fun!

Refund Policy

All withdrawals from the Rose City Futsal Select Team Program must be made in writing to Rose City Futsal. In certain instances, including serious injury, adjustments to the schedule can be made at the discretion of the Program Directors. Injured players must provide a doctor's note. When notice of cancellation is received prior to the start of the 2023/2024 training calendar year, a full refund (less a \$325 administration fee) will be issued. If a notice of cancellation is received at any time after the program has already started, no refunds will be issued for payments already processed. Once players commit to the program we kindly expect players to follow through with their commitment as changes along the process can affect the overall development of all individuals within their group.

Frequently Asked Questions:

What is TALO and what do they bring to the Pre-Select and Select Team Programs?

Garga Caserta: TALO founder and current USWNT Performance Director, previously the Portland Thorns Performance Trainer.

TALO provides RCF Pre-Select and Select teams and its athletes with Sports Rehabilitation & Performance Development solutions by educating coaches, applying interventions in practice sessions, and monitoring measured sports science data over the course of the program year. Look to see TALO out on the court with the players for a portion of their training!

What is the difference between the Pre-Select Team Program and Select Team Program?

Pre-Select Team programs train 1-2x/week and focus on the foundational technical development of players and compete in local only youth leagues and tournament[s]. Games are used to focus on the player's development and implementation of their new knowledge from training, not winning.

The Select Team Program is a selected group of 7-9 players that train 1x, 2x, or 3x/week and play as a regular group throughout the year. Select teams focus on individual and collective technique, and individual and collective tactics with the older teams. These teams train all year to travel and compete at USFF Regionals and potentially other out-of-state or international tournaments or experiences. When the team travels, we are competing to win.

What is the difference between Select Team Program and Advanced Classes?

The Select Team Program is a selected group of 7-9 players that train 1x, 2x, or 3x/week and play as a regular group throughout the year. Advanced classes are taught in 7-week sessions throughout the year. Players need to be approved by our Technical Directors as an advanced player in order to register. Advanced classes by their very nature, allow players to come and go during the year, whereas the Select Team Program expects a full-year commitment.

Can I do both Advanced classes and the Select Team Program?

The Select Team program already includes plenty of training plus games and/or open plays weekly. If a player would like to add additional classes or training we would request that the player notify the coaching staff prior to registering. The coaching staff will determine if the extra training is appropriate for the player and necessary. Every player is unique in their needs and we will treat each situation individually and accordingly.

Will my child's group be assigned a coach?

Groups will have an assigned coaching staff - but may also work with different coaches throughout the year. With our Technical Directors and Program Directors overseeing programs and hands-on involvement, we look to assure consistency and continuity throughout Rose City Futsal Programs at all age levels.
