

# Pre-Select Team Program

## 2015 & 2016 Girls

The Rose City Futsal Pre-Select Team Program is designed to provide players an opportunity to train and compete with players of similar abilities. Its goal is to help kids grow in all 5 aspects of the game: mentally, physically, technically, tactically and socially. It is a great opportunity for elite young players to develop in the way that many South American and European kids do - with a lot of Futsal!

The focus of this program will be on the technical aspect of the game and individual technique to help players develop futsal specific foundational skills. This year-long program will in turn prepare players for our elite Select Team Program the following year. Futsal provides unparalleled benefits to player development with increased ball touches, need for speed, control, and quick decision making. Our competitive team training, seasonal leagues and local tournament(s) provide the best augmentation to any outdoor season.

Pre-Select teams will train under the same philosophies and methodologies as the Select Team Program while not having the expectation or pressure to prepare for out-of-state and/or international tournaments. For our Select Teams, we look to travel to USFF NW Regionals in March as well as potentially USFF Nationals in July. For the older age groups, we try to create international experiences. In recent years, we've sent players and coaches to Italy, Portugal, and Argentina to compete against local futsal clubs.

Rose City Futsal will provide a consistent schedule with the appropriate number of training sessions and games for the age group so players can achieve their best potential. With an organized schedule, we hope that families will have an opportunity to also enjoy life outside of futsal/soccer which is an important aspect in a player's social development. Rose City Futsal will follow the European and South American calendar and will have players training on a 10-month calendar (September-end of May). During the Summer months, we expect and encourage players to have some down time from organized practices, enjoy family and the PNW sunshine. Players are still encouraged to kick the ball around with friends during the off-season in unstructured environments to allow for creativity to grow and to develop other aspects of the game and life. Open Plays and Summer Camps will still be offered for those wanting more time on the ball and some summer fun.

The goal of the Pre-Select Team Program is to create one team, 7-9 players, per birth year. This will allow for a healthy training environment. For all games (leagues, tournaments, friendlies), the 2015 girls & 2016 girls will compete separately. During games, players will focus on their development and implement what they learned in practice that week.

Depending on numbers and the quality of the players, Rose City Futsal may decide not to create teams for certain age groups.

Our goal is to develop well rounded elite players that play with joy, confidence and character. At Rose City Futsal, we aim to develop and prepare young players for the challenges that they will face on and off the court. We want to create not only top level players but also great citizens.

**Program Tryouts:** Pre-Select Team tryouts will run on a low stress system. Players will mostly play while the coaches observe and make notes about which Rose City Futsal program will best suit the player's abilities and skills. All kids will be observed and recommended to one of Rose City Futsal programs:

- Pre-Select Team
- Jr Academy advanced classes and camps
- All Levels classes and camps

## Refund Policy

All withdrawals from the Rose City Futsal Select Team Program must be made in writing to Rose City Futsal. In certain instances, including serious injury, adjustments to the payment schedule can be made at the discretion of the Program Directors. Injured players must provide a doctor's note. When notice of cancellation is received prior to the start of the 2024/2025 training calendar year, a full refund (less a \$325 administration fee) will be issued. If a notice of cancellation is received at any time after the program has already started, no refunds will be issued for payments already processed. Once players commit to the program we kindly expect players to follow through with their commitment as changes along the process can affect the overall development of all individuals within their group.

## **Frequently Asked Questions:**

### **What is TALO and what do they bring to the Pre-Select and Select Team Programs?**

TALO was founded by Garga Caserta, current Head of Performance for the KC Current of the NWSL, and previously USWNT and Portland Thorns. TALO provides RCF Select Team players with Injury Evaluation and Sports Rehabilitation from their Physical Therapist throughout the course of the program year.

Additionally, TALO will be providing discounted memberships for Select Team group training sessions; discount amount is dependent on the size of the group.

### **What is the difference between the Pre-Select Team Program and Select Team Program?**

Pre-Select Team programs train 1x/week and focus on the foundational technical development of players and compete in local only youth leagues and tournament(s). Games are used to focus on the player's development and implementation of their new knowledge from training, not winning.

The Select Team Program is a selected group of 7-9 players that train 1x, 2x, or 3x/week and play as a regular group throughout the year. Select teams focus on individual and collective technique, and individual and collective tactics with the older teams. These teams train all year to travel and compete at USFF Regionals and potentially other out-of-state or international tournaments or experiences. When the team travels, we are competing to win.

### **What is the difference between Pre-Select Team Program and Jr Academy Classes?**

The Pre-Select Team Program is a selected group of 14-16 players that train 1-2x/week and play as a regular group throughout the year. Jr Academy classes are taught in 7-week sessions throughout the year. Players need to be approved by our Technical Directors as an advanced player in order to register. Advanced classes by their very nature, allow players to come and go during the year, whereas the Pre-Select Team Program expects a full-year commitment.

### **Can I do both Jr Academy classes and the Pre-Select Team Program?**

Yes! If a player is interested, they may register to any Jr Academy class and/or School of Technique class to continue their development.

### **Will my child's group be assigned a coach?**

Groups will have an assigned coaching staff - but may also work with different coaches throughout the year. With our Technical Directors and Program Directors overseeing programs and hands-on involvement, we look to assure consistency and continuity throughout Rose City Futsal Programs at all age levels.
