

PRE-SELECT TEAM PROGRAM

2018 Boys

OVERVIEW

The Rose City Futsal Pre-Select Team Program provides players the opportunity to train and compete alongside a tight-knit group of players with similar ability, drive, and passion for the game. **Our goal is to help kids grow in all 5 aspects of the game: mentally, physically, technically, tactically and socially.** Our program is designed to develop well-rounded elite futsal/soccer players who play with joy, confidence and character and who are prepared for challenges they will face on and off the court. We want to create not only top-level players but also great citizens.

Pre-Select teams will train following the same philosophies and methodologies as the Select Team Program, with an emphasis on technical skills and individual technique to help players develop a solid foundation in futsal. Players on Pre-Select teams are not assigned fixed positions and are encouraged to express their creativity and explore the game through self-discovery, free from excessive coaching. This year-long program is designed to prepare players for progression into our elite Select Team Program the following year[s].

Rose City Futsal will provide a consistent annual training schedule (September - June) with the appropriate number of training sessions and games for the age group so players can achieve their best potential. With an organized schedule, we hope that families will have an opportunity to also enjoy life outside of futsal/soccer which is an important aspect in a player's social development.

During the Summer months, we expect and encourage players to have some downtime from organized practices, enjoy family and the PNW sunshine. Players are still encouraged to kick the ball around with friends during the off-season in unstructured environments to allow for creativity to grow and to develop other aspects of the game and life. Run the Court Sessions and Summer Camps will still be offered for those wanting more time on the ball and some summer fun.

The goal of the Pre-Select Team Program for the 2018 boys is to create a training group of 14 - 16 players. This will allow for a healthy training environment. For all games (leagues, tournaments, friendlies), we will split the group into 2 teams of about 7-9 players each. We will rotate the rosters at random for each youth league game so the players can focus on their development and implement what they learned in practice that week.

THE HEART OF THE GAME

WHY FUTSAL?

Futsal provides unparalleled benefits to player development with increased ball touches, need for speed, control, and quick decision making. Our competitive team training, seasonal leagues and local and travel tournaments provide the best augmentation to any outdoor season. Rose City Futsal's Select teams offer a one-of-a-kind experience and community for elite young players to enhance their knowledge and skills in the way that many South American and European kids do - with Futsal!

PROGRAM TRYOUTS

Pre-Select Team tryouts will run on a low-stress system. Players will mostly play/scrimmage while the coaches observe and make notes about which Rose City Futsal program will best suit the player's abilities and skills. All kids will be observed and recommended to one of Rose City Futsal programs:

- Pre-Select Team
- Jr Academy Advanced classes and camps
- Youth Academy All Levels classes and camps

In certain instances, including serious injury, adjustments to the cancellation policy can be made at the discretion of the Program Directors. Players withdrawing due to illness or injury must provide a doctor's note.

Once players commit to the program, we kindly expect players to follow through with their commitment, as changes along the process can affect the overall development of all individuals within their group.

FREQUENTLY ASKED QUESTIONS

What is the difference between the Pre-Select Team Program and the Select Team Program?

Pre-Select Team programs train 1-2x/week and focus on the foundational technical development of players and only compete in local youth leagues and tournament(s). Games are used to focus on the player's development and implementation of their new knowledge from training, not winning.

The Select Team Program is a selected group of 7-9 players that train 1x, 2x, or 3x/week and play as a regular group throughout the year. Select Teams focus on individual and collective technique, and individual and collective tactics with the older teams. These teams train all year to travel and compete at USFF Regionals and potentially other out-of-state or international tournaments or experiences. When the Select Teams travel, we are competing to win.

What is the difference between the Pre-Select Team Program and Jr Academy Classes?

The Pre-Select Team Program is a selected group of 14-16 players that train 1x or 2x/week and play as a regular group throughout the year. Jr Academy classes are taught in 7-week sessions throughout the year. Players need to be approved by our Technical Directors as an advanced player in order to register. Advanced classes by their very nature, allow players to come and go during the year, whereas the Pre-Select Team Program expects a full-year commitment.

Can I do both Jr Academy classes and the Pre-Select Team Program?

Yes! If a player is interested, they may register to any Jr Academy class and/or School of Technique class to continue their development.

Will my child's group be assigned a coach?

Groups will have an assigned coaching staff consisting of a Head Coach and an Assistant Coach. Teams may also work with different coaches throughout the year. With our Technical Directors and Program Directors overseeing programs and hands-on involvement, we look to assure consistency and continuity throughout Rose City Futsal Programs at all age levels.
