ABOUT ME

Hey, I'm Coach Chloe! I grew up in Portland, and have been kicking the ball around as long as I can remember. I played for various local clubs and was a three year member of the RCF 2002 Girl's Select Team – one of the first at RCF! I played for four years at Western Washington University. My junior year, the team had a standout season and took home the DII National Championship! I continue to play at RCF in the adult leagues, so come say hi anytime.

WHY FUTSAL AND WHY RCF?

Futsal teaches the foundational skills to grow into the most successful soccer player possible. Playing for fun with my friends at RCF made up some of my favorite memories as a kid. As a coach, I hope to share the love of the game and passion for craft that I have developed by spending time in this facility.

I believe that players develop most in a positive and nurturing environment that welcomes challenges and builds problem-solving skills. I hope to foster this each day on the court.

FAVORITE RCF MEMORY

Hanging out at the Select Team party last year and meeting all the amazing players and parents. I also worked at Clives and had a blast saying hi to all the RCF regulars and cheering on players before and after their games.
