## ABOUT ME

Hey, I'm Coach Mary! I am originally from the Bay Area and moved to Portland in 2021 to pursue my master's degree in education. Before moving to Portland, I grew up playing soccer and played at Cal poly Humboldt. I am so happy to continue to play on various teams in the Portland area on the court and on the field.

## WHY FUTSAL AND WHY RCF?

I discovered futsal when I moved to Portland. I fell in love with the intensity and technical and tactical expectations of the game. Coaching at Rose City Futsal seemed like the perfect combination of my love of the game and my love of teaching.

## FAVORITE RCF MEMORY

My favorite RCF memory was traveling down to the Bay Area with my select teams and supporting them as they won their groups! I loved getting to know the girls off the court as well as seeing their commitment and passion for the game on the court.
