

SELECT TEAM PROGRAM

2012 & 2013 GIRLS

OVERVIEW

The Rose City Futsal Select Team Program provides players the opportunity to train and compete alongside a tight-knit group of players with similar ability, drive, and passion for the game. **Our goal is to help kids grow in all 5 aspects of the game: mentally, physically, technically, tactically and socially.** Our program is designed to develop well-rounded elite futsal/soccer players who play with joy, confidence and character and who are prepared for challenges they will face on and off the court. We want to create not only top-level players but also great citizens.

Rose City Futsal will provide a consistent annual training schedule (September - June) with the appropriate number of training sessions and games for the age group so players can achieve their best potential. With an organized schedule, we hope that families will have an opportunity to also enjoy life outside of futsal/soccer which is an important aspect in a player's social development.

During the Summer months, we expect and encourage players to have some downtime from organized practices, enjoy family and the PNW sunshine. Players are still encouraged to kick the ball around with friends during the off-season in unstructured environments to allow for creativity to grow and to develop other aspects of the game and life. Run the Court Sessions and Summer Camps will still be offered for those wanting more time on the ball and some summer fun.

We aim to create one team per birth year. Each team will consist of 7-9 players. Different birth years/teams will be combined for training purposes only. Each team will compete individually in youth leagues and local or out-of-state tournaments. For our Select Teams, we often look to travel to USFF NW Regionals in March as well as USFF Nationals in July. For the older age groups, we try to create international experiences. In recent years, we've sent players and coaches to Italy, Portugal, and Argentina to compete against local futsal clubs.

WHY FUTSAL?

Futsal provides unparalleled benefits to player development with increased ball touches, need for speed, control, and quick decision making. Our competitive team training, seasonal leagues and local and travel tournaments provide the best augmentation to any outdoor season. Rose City Futsal's Select teams offer a one-of-a-kind experience and community for elite young players to enhance their knowledge and skills in the way that many South American and European kids do - with Futsal!

THE HEART OF THE GAME

FREQUENTLY ASKED QUESTIONS

What is the difference between the Pre-Select Team Program and Select Team Program?

Pre-Select Team programs train 1-2x/week and focus on the foundational technical development of players and compete in local only youth leagues and tournament(s). Games are used to focus on the player's development and implementation of their new knowledge from training, not winning.

The Select Team Program is a selected group of 7-9 players that train 1x, 2x, or 3x/week and play as a regular group throughout the year. Select teams focus on individual and collective technique, and individual and collective tactics with the older teams. These teams train all year to travel and compete at USFF Regionals and potentially other out-of-state or international tournaments or experiences. When the team travels, we are competing to win.

What is the difference between the Select Team Program and Advanced Classes?

The Select Team Program is a selected group of 7-9 players that train 1x, 2x, or 3x/week and play as a regular group throughout the year. Advanced classes are taught in 7-week sessions throughout the year. Players need to be approved by our Technical Directors as an advanced player in order to register. Advanced classes by their very nature, allow players to come and go during the year, whereas the Select Team Program expects a full-year commitment.

Can I do both Advanced classes and the Select Team Program?

The Select Team program already includes plenty of training plus games and/or Run the Court Sessions weekly. If a player would like to add additional classes or training we would request that the player notify the coaching staff prior to registering. The coaching staff will determine if the extra training is appropriate for the player and necessary. Every player is unique in their needs and we will treat each situation individually and accordingly.

Will my child's group be assigned a coach?

Groups will have an assigned coaching staff consisting of a Head Coach and an Assistant Coach. Teams may also work with different coaches throughout the year. With our Technical Directors and Program Directors overseeing programs and hands-on involvement, we look to assure consistency and continuity throughout Rose City Futsal Programs at all age levels.
